

**5<sup>th</sup> January 2021**

Dear Member,

I would like to give you a status update with regards to the upcoming PRSK elections.

Last evening, I held a successful meeting with the candidates running for the various Council positions that are up for elections. I was joined by Dr Mbugua Njoroge, the Vice President.

Our discussion was candid, open and genuine. It centered on the interests to ensure the Society remains vibrant and maintains a positive image not only to members but the public at large.

I would like to let you know that as a team, we resolved to unite and be bound to provide a free, fair and credible election. Most important, we were bound to be a responsive and model Society.

I appreciate the vigilance exercised by members in pointing out various anomalies identified in this process. This was all for the love of this noble profession and a Society with a glorious future.

To provide assurance to the members on the integrity of this process, we resolved on the following:

1. All the voter tokens that had been shared yesterday are **deactivated** with immediate effect.
2. A voters register of Full Members and Fellows eligible to vote to be shared with Members on **Tuesday 5<sup>th</sup> January, 2021**.
3. Members be allowed to verify the register on **Tuesday and Wednesday**.
4. Voting to take place for one day. This will be on **Thursday, 7<sup>th</sup> January, 2021**.
5. More details will follow later.

Let us all strive to make PRSK the strong society that it is!

**Dr Wilfred Marube, MPRSK**
